1. To insert the phrase "or other social support services" after the word "assistance" and before the phrase "in the following forms."
2. To change the wordings of letter a, **from:** "Department of Social Welfare and Development using Conditional Cash Transfer (CCT) funding for the entire 2017. The identified employees shall be included and immediately be classified as qualified persons under the CCT" **to:** "Department of Social Welfare and Development to provide social protection programs and services to displaced and qualified transport workers based on existing eligibility requirements and profiling results endorsed by the Department of Transportation (DOTr) and in coordination with the Local Government Units (LGUs)."
